Sommario/riassunto	The Invisible Hand is about a boy, Sam, who has just started life at a boarding school and finds himself able to travel back in time to medieval Scotland. There he meets a girl, Leana, who can travel to the future, and the two of them become wrapped up in events in Macbeth the Shakespeare play, and in the daily life of the school. The book is the first part of a series called Shakespeare's Moon. Each book is set in the same boarding school but focuses on a different Shakespeare play.
