Sommario/riassunto	Have you ever wondered why you are drawn to certain people, ideas, or products and turned off by others? Are you constantly searching for something you can't put your finger on, or wondering whether you are living a life that truly fits?. In Archetypes: Who Are You?, New York Times best-selling author Caroline Myss delves into the world of archetypes, which have been the subject of her work for more than 25 years. Archetypes are universal patterns of behavior that, once discovered, help you better understand yourself and your place in the world. In short, knowing your archetypes can transform
