| Sommario/riassunto | This anthology highlights the literary works of writers from the Grande Province Orientale in the Democratic Republic of Congo. It showcases a diverse collection of poems, essays, novels, and historical accounts, |

emphasizing the aesthetic and communicative power of literature. The anthology captures the unique voices and experiences of Congolese writers, providing insight into the cultural and historical context of the region. Its purpose is to bring to light a previously lesser-known body of literature and to engage readers with the perspectives and creativity of these authors. The intended audience includes literary scholars, students of African literature, and anyone interested in the cultural richness of the Democratic Republic of Congo.
