Sommario/riassunto	After being introduced to Sherlock Bones, the Greatest Detective in the World, in Case File #1: Doggone, Dr. Jane Catson - surgeon and veteran of the Cat Wars - is back to share an all-new mystery adventure with readers. Despite all of Jane's resistance, Bones is now living with her and her housekeeper/chef, the turtle with a jetpack, Mr. Javier. This time out, the mismatched duo's investigations lead them to a case involving murder, of course, and - wait for it! - Utah. If there's one

thing readers can be certain of it's that in this world, the animals are  
always smarter than the humans. Also, did we mention...Utah?
