Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Title Page -- Copyright -- Dedication -- Acknowledgments -- Prologue -- Chapter 1 -- Chapter 2 -- Chapter 3 -- Chapter 4 -- Chapter 5 -- Chapter 6 -- Chapter 7 -- Chapter 8 -- Chapter 9 -- Chapter 10 -- Chapter 11 -- Chapter 12 -- Chapter 13 -- Chapter 14 -- Chapter 15 -- Chapter 16 -- Chapter 17 -- Chapter 18 -- Chapter 19 -- Chapter 20 -- Chapter 21 -- Chapter 22 -- Chapter 23 -- Chapter 24 -- Chapter 25 -- About the Author.
Sommario/riassunto	Detective Roger Colby thought he ended serial killer Morgan Laird's murderous spree 28 years ago when Laird was sentenced to spend the rest of his life in prison. But Colby soon finds out that nothing is certain in today's ever-changing society. The wheelchair bound criminal has been released from prison and granted parole. But is it coincidence that a new series of homicides has suddenly begun, identically mirroring Laird's brutal series of murders from the past? As Colby reluctantly joins a federal task force investigating these new crimes, he begins to uncover a new and sinister plot so unthinkable that it virtually defies belief. When Morgan Laird's DNA is recovered from the scene of one of the recent murders, Colby realizes that the unthinkable has suddenly become reality. Shunned by the task force and without support, Colby knows he must trace his new blood trail to its source and bring these new and brutal crimes to a stop, regardless of the consequences.
