| | Sommario/riassunto | "El youtuber Chumel Torres, con mas de 1.6 millones de seguidores a nivel mundial y su característica mirada acida, nos cuenta la historia del Mexico que nos toco vivir.La historia de Mexico contada por El pulso de la Republica con el humor caracteristico de Chumel Torres. Un analisis de la actualidad política del pais, mediante un recorriendo de la historia |

de Mexico, y como tendemos a repetir nuestros desastres, a soportar a nuestros gobernantes y practicar una democracia comica y salvaje. Chumel Torres, con su mirada acida sobre el Mexico que nos toco vivir, revela datos curiosos y atrevidos de La Conquista, de La Colonia, La Independencia, La Revolucion y el sistema politico actual.* Su canal El pulso de la Republica tiene mas de 1.6 millones de suscriptores y registra 15 millones de visitas al mes.* Acaba de firmar contrato con HBO donde tendra su propio programa de television. ENGLISH DESCRIPTION Youtuber Chumel Torres, with over 1.6 million of followers worldwide, writes about the Mexican history that Mexican are currently living. This book is Mexican history told by "The Pulse of the Republic" and the dark humor that is characteristic to Chumel Torres. This is an analysis of Mexico's current politics after revising its history and how its people tend to repeat its disasters, put up with bad politicians, and practice a savage-like democracy. Chumel Torres, with his acidic humor reveals interesting and daring data about the Conquest, Colonies, independence, the Revolution and the current political system.* His Youtube channel "El pulso de la Republica" has over 1.6 millio subscribers and 15 million views each month.* He just signed an HBO contract and will soon have his own show on the network.
