Nota di contenuto Preliminary Material -- Introduction -- The Infantry Soldiers of the Spanish Army -- Conditions of Service: Everyday Life in the Spanish Army -- Mutiny -- The Experience of the Sack -- Combat --Conclusion -- Bibliography -- Index. In Warriors for a Living, Idan Sherer examines the experience of the Sommario/riassunto Spanish infantry during the formative period of the Italian Wars. Decades of clashes between Spain and France transformed Italy into a crucible of military tactics and technology and brought about the emergence of the Spanish infantry tercios as Europe's finest military force for more than a century. From their recruitment, through the complexities of everyday life in the army and culminating in the potential brutality of soldiering, the book offers a fresh and much needed exploration, analysis and, at times, reconsideration of what it

meant to be a professional soldier in early modern Europe.
