Sommario/riassunto	This Personal Experience Paper will discuss 125th MP Bn missions during Operation Just Cause, Operation Desert Storm/Desert Shield, Operation Joint Guardian, and Operation Enduring Freedom. I will discuss the numerous roles each unit conducted while assigned to these battalions and brigades. These missions include enemy prisoner of war (EPW) escort, airlift transport of EPW's, traffic control points (TCP) border patrol operation, searches, convoy escorts, custom operations (PSD), and many more. Furthermore, this paper should inform the reader of the overwhelming demand the war in Iraq and other missions are placing on the Army National Guard. One of the many challenges facing the Army National Guard is the number of deployments Citizen Soldiers have participated in support of the worldwide Army operations.
