Sommario/riassunto

This volume of 'A History of the Peninsular War' by Charles Oman covers the critical military events from October 1811 to August 1812, focusing on Wellington's campaigns in Spain. It details the conquest of Valencia by Suchet, the sieges of Ciudad Rodrigo and Badajoz, and the decisive Battle of Salamanca. Oman's narrative provides an in-depth analysis of the strategies and battles that defined this period, highlighting Wellington's tactical genius and the challenges faced by the allied forces. The book is intended for historians and military enthusiasts interested in the Napoleonic Wars, offering insights into the military operations and political dynamics of the era.
