Sommario/riassunto	During Operation Enduring Freedom (OEF) VII and VIII, Able Troop 3-71 Cavalry operated as the brigade rapid mounted reaction force throughout Regional Command East (RC-E) and South in Afghanistan. This paper tells of how our unit moved in-between Regional Commands to deter and destroy the enemy, set up multiple Combat Out Posts (COP), trained Afghanistan National Police (ANP), dealt with the first extension and set the stages in the North for follow on forces.
