Sommario/riassunto	<p>Gabriel sacrificed everything for the woman he loved--even his wolf. But the time has come for endings, and only he can bring down the evil that has plagued Westervelt for too long. You'll laugh. You'll cry. You'll fall in love all over again, in the thrilling conclusion of Rebecca Royce's The Westervelt Wolves series! All bad things must be destroyed... Gabriel Kane has been betraying his family for forty years. To save a mate only he remembers, he made a deal with his father, Kendrick Kane, that would keep her alive. The price? Gabriel's cooperation. Little by little his lies have eaten him alive until there is nothing left of him but a shell of the shifter he used to be. He's at the end of his rope. Only Kendrick's death will end the pain. Even if it kills Gabriel in the process. Taken from her family and forced to live with a man she despises, Carrie has grown stronger than she ever thought possible. And she will need to be, for only she can save Gabriel now. If she doesn't, all is lost forever--not just for her, but for their entire pack. Winning is a long shot, but what other choice do they have? Content Notes: Paranormal, Shifters, Wolves, Other Weres, Suspense, Magic, Witches, Spicy.</p>
