Sommario/riassunto	<p>Find out what happens when a career-driven, cocky Navy SEAL meets an old-fashioned good girl looking for love in all the wrong places. Intrigue, kidnapping, and danger await you in Layne Macadam's explosive tale of desire unleashed. When schoolteacher Kathy Bellamy moved from Louisiana to Coronado, she didn't expect her secret dream, or her worst nightmare, to become a reality. Confirmed bachelor and relationship cynic, Shane Jackson has no room in his life for a permanent woman. Temporary liaisons are all he is up for. Cocky and self-assured, he believes he can pick a like-minded player at a glance. So when he discovers Kathy is the complete antithesis of what he believed her to be, he is thrown into a tailspin. Before long, and way out of his comfort zone, he finds himself knee deep in a relationship he can't quite seem to end. Kathy longs for a fairytale romance, an old-fashioned girl saving herself for the right guy. But, after one date with Navy SEAL Shane Jackson, she trashes her values and willingly tumbles into the sack without a thought for the consequences. Now, Kathy's love life will soon become the catalyst of a nightmare. When she throws caution to the wind and acts out of character, her actions are seen as a betrayal by her stalker, a betrayal that demands retribution in blood. Abducted at knifepoint and taken to a secret location, it's up to Shane, the ultimate predator, to find and rescue her before it's too late!</p> <p>Content Notes: Contemporary, Uniformed Heroes, Sexy Spicy Romance,</p>
