Sommario/riassunto	<p>Re-Release (Originally part of Love and Magic Anthology)For over 400 years, Drake Montgomery has been trapped by a woman determined to keep him for herself. All that may change with the arrival of a young writer . . . or is death the only future for any of them?Jordan has inherited a castle from her grandfather she didn't even know he owned. Unfortunately, there's a stipulation. She must live in the home for six months or forfeit her entire heritage. Upon arriving, she begins to have dreams of a man so perfect, he couldn't possibly exist. Unfortunately, he does, just not in the way she expected.Not dead, but not alive either, Drake is stuck. He believes Jordan is the one who can set him free. But as time passes and he falls further in love with her, being set free is the last thing he wants.Another trapped spirit, one determined to keep Drake all to herself, knows Jordan is the key, and she'll do whatever she can to keep them apart.</p>
