Sommario/riassunto	<p>There's more going on at famed Helios Resort in Mexico than meets the eye and Patience O'Conner is going to figure out what, even if it kills her . . . which is exactly what Death has planned Patience O'Conner is a travel blogger who lives for her work. Her dedication to her readers brings her to the famed Helios Resort in Mexico, a locale that stuns her with its beauty but at which she suffers from some very strange accidents. Luckily, hunky resort bartender Apollo Delos is always there in the nick of time, a malcontent guardian angel. Apollo stuns Patience again and again with his life-saving abilities, to say nothing of his smoldering looks and apparent desire to keep her alive. Before long, Patience wonders if there is more to the sexy bartender than mixed cocktails and insane first-aid skills. Something strange is happening at Helios and Apollo doesn't want to talk about it. Can Patience open herself up to this enigmatic man, even though she is terrified to be vulnerable again? And can Apollo recover from an eternity of hurt and learn to trust once more? They must both decide before Death comes calling.</p>
