Sommario/riassunto	<p>When Alex confronts ex-lover Chance, the sparks fly. But nine years has done nothing to lessen the intensity of the chemistry between them. Forever Is Now is the hot, new romance from author K. Vale you won't be able to stop reading. Passion ignites the pages as Alex and Chance find that sometimes a second chance is all love needs! If you love someone, set him free. If he steals something of yours, hunt him down and make him sorry. Alex Bremen is over Chance Ralan. Ever since his high school boyfriend ditched him nine years ago, Alex has barely thought of Chance at all. Sure, Alex attended a concert or two when his ex's band, Armageddon Showdown, was in the area, but that was more curiosity than anything else. Who wouldn't want to see firsthand how his once clean-cut boyfriend transformed into a pierced and tattooed heavy metal god? But when Chance has the nerve to record a love song Alex wrote for him years ago, Alex crosses the country to confront him. Revenge becomes a dish best served sizzling hot. The two men lock horns, but find the chemistry between them has only intensified with time, and occasionally love needs to do some growing up before it can be done right.
