Sommario/riassunto	<p>Be careful what you wish for is an adage Bran Lawson knows all too well. When he finds the one woman he knows he can't live without, he does the unthinkable to keep her ... he makes a wish for her love. But the gods are capricious, and wishing for her love may just lead to their destruction. <i>Druid's Wish</i> is the next chapter of Emma Weylin's magical romance series <i>Love Cursed</i>. Bran Lawson is an ancient druid under a faery curse. When he encounters a half-faery woman, he feels the draw of a mate. Wanting the happiness denied to him for so long, he does the one thing he thought he'd never do. He asks the gods for help. Irresistibly drawn to Bran, Kenna Fitzpatrick discovers he is her mate. When given the chance to free him from his curse, giving one more person the chance to abandon her, she must choose between her heart's desire and giving Bran his freedom.
