Sommario/riassunto	<p>Princess Kaylee has never had to fight for anything. Her entire life has been arranged, even her marriage. But when Prince Devlin falls under an enchantment, she finds she is willing to do anything to save him, even if it means fighting a dragon. Devlin's own sister, Princess Arabella, is behind the deadly plot. She wants the throne and will use any means necessary to gain it. Her perfect plan unravels, leaving Devlin caught in a magical sleep that is slowly spreading through the kingdom of Breniera. All Arabella needs to finish her spell and claim the crown is a drop of Kaylee's blood, but obtaining the single drop is proving more difficult than expected. To save her betrothed, Kaylee embarks on a quest to find an ancient sword and gather a drop of dragon's blood, while trying to stay out of Arabella's traps. But Arabella's traps aren't the only danger. Time is everything. For once the last inhabitant of the kingdom falls asleep, the spell will be sealed, and not even true love's kiss will break it</p>
