Sommario/riassunto	Jan-nell the bowdancer, now pregnant with her second child, and her daughter, Mira-nell, trek up a mountain where bards' tales have said a village of warrior women exists. Jan-nell makes this trip in winter-and in her condition-in order to find a place for Mira-nell where the child's precocious abilities will be accepted. The women on the mountain, though, are not fighters or even man-haters. They have chosen to live apart from the world in a village of only women, led by a sisterhood of hunters. Chandro, a beautiful trackfinder, rescues Jan-nell and her daughter, offering them a home and the promise of love.
