Civil rights policy -- ch. 17. Rethinking California.
Sommario/riassunto	This book explores the state of California -- viewing the state as a holistic political culture that reflects the influence of multiple cultures, ethnic groups, and communities of interest. It starts with a broad historical foundation, and travels through cultural analyses and institutional discussions. The evaluation of specific policy issues affecting the state is an important stop along the way, and the crossroads that bring together the variety of analytic paths. This book is suited for individuals interested in California policy work, and

gaining a better understanding of that state's unique political culture.

Sommario/riassunto	IN LOVE AND WAR, SOME OATHS ARE MEANT TO BE BROKEN...Riding into the arena under the furling blazon of the blue falcon, Sir Conan de Corbney accepts a token from the young beauty, Lady Chandra, sparking a romance foretold long ago. That is, unless Conan's mother can help it. Colluding with her son's rival, Sir Tedric, Lady Udele secretly arranges a more lucrative marriage for her son and weds him to Edwina--Chandra's older sister--while Sir Tedric claims the fiery Chandra for himself. Thus begins the star-crossed lovers' quest, amidst treachery and betrayal, for the path back to each other's arms. When a knight is pledged twice, once for loyalty and once for love, which oath will prove stronger? From private chambers to the distant bloodstained shores of the Crusades under King Richard's reign, THE BLUE FALCON is a timeless tale of adventure, treachery, and above all, an unforgettable love story. PRAISE FOR ROBYN CARR'S HISTORICALS:"She has done it again. Robyn Carr is absolutely marvelous."--Danielle Steel"Adventure, danger, derring-do, as well as doings at the glittering anything-goes court of Charles II...Carr tells an entertaining yarn."--Publishers Weekly"A fast, gripping story...The reading public can anticipate good books from an imaginative new author."--Best Sellers
