Sommario/riassunto	<p>It's 2012 and what happened in 2008 at the controversial Erotic City swingers club in Atlanta is a distant memory. Now, with a second club located in Miami, Milan Kennedy and her heavyweight boxer husband, Lavender Lewis, have moved to Miami to raise his son. Lavender's loony baby's mama is serving time in prison for the attempted murder of Milan. For now all seems quiet, that is until Milan and Lavender are served child custody papers, and also, a test of fidelity arises just as the couple plans to add to their family, and expand their thriving business. Milan questions the very meaning of the lifestyle itself, and doubts the purpose of her own career as a swingers club owner, providing significant others a playground for fornication. Big Booty Trudy, Tamiko Kennedy, Jarod Hamilton, and Nancy Clark Kennedy all return, and a couple of freaky additions are added to the mix. The newest location, Erotic City: Miami, is a huge success, but at what cost? Will the wife-swapping lifestyle change Milan and Lavender forever, or will they survive the very temptations that their own sex business brings?</p>
