Sommario/riassunto	<p>Prayer of Creation includes reading of the eponymous prayer followed by beautiful piano music based on original composition of Frederic Chopin. Piano composition includes: Nocturne in F Major, Op. 15 No. 1 -- Andante Cantabile performed by Anton Kingsbury. This beautiful night piano composition starts with calm and serene flow of gentle notes. This peace is followed by a stormy F minor central section purging sudden doubts and worries. An engulfing recapitulation later appeasing the anxiety and restoring the tranquillity. Chopin dedicated this nocturne to Ferdinand Hiller, a German composer, conductor and music director.</p>
