Sommario/riassunto	<p>MAGIC RULES. WE SERVE. In a darkly fantastical debut set in modern-day Britain, magic users control everything: wealth, politics, power-and you. If you're not one of the ultimate one-percenters-the magical elite-you owe them ten years of service. Do those years when you're old, and you'll never get through them. Do them young, and you'll never get over them. This is the darkly decadent world of Gilded Cage . In its glittering milieu move the all-powerful Jardines and the everyday Hadleys. The families have only one thing in common: Each has three children. But their destinies entwine when one family enters the service of the other. They will all discover whether any magic is more powerful than the human spirit. Have a quick ten years. . . . Look for all three books in the mesmerizing Dark Gifts trilogy: GILDED CAGE TARNISHED CITY BRIGHT RUIN Praise for Gilded Cage "Beautifully characterised and compellingly plotted, Gilded Cage is an impressive debut." - The Guardian "Exquisitely wicked . . . a lavishly opulent, yet brutally vivid, alternate England which subtly questions modern beliefs . . . If ever there was a speculative fiction book that captured the zeitgeist of an era this is it." - SFFWorld "An alternate modern-day England where enticing drama and social unrest mix with aristocratic scandal and glamorous magic . . . conjuring up the specters of Les Misérables and Downton Abbey . . . an absorbing first installment that presages an intriguing new fantasy series." - Kirkus</p>
