Livello bibliografico	Monografia
Sommario/riassunto	<p>Jesus advice ruined what I planned to write.It was the recipe for a great book. John and his wife both financial experts had cut their income by 80% to pursue more meaningful lives. Within six years they had two kids, were debt-free, went on several vacations, and doubled their net worth. John was ready to share the biblical principles that made this possible.But he couldn t. After reviewing Scripture s teaching on money over 1,300 verses he realized he had missed something big.Jesus Terrible Financial Adviceturns even conventional Christian wisdom on its head. While it answers many of the practical questions we have likedoes Jesus want me to be rich or poor? Should I give to everybody who asks? Is it wrong to save? it goes beyond these concerns. It asks bigger questions, gives bolder answers, and offers a more comprehensive view of stewardship. Follow Jesus terrible (shocking, otherworldly) financial advice, and you ll have what money can t buy: purpose."</p>
