Sommario/riassunto	Calling Anthony Parker: Book OneAt St. Peter's, an exclusive British boarding school for boys, a teacher's word is law--and Anthony Parker is leading a rebellion. When he is found reading a book containing "questionable content," he receives a reprimand from the headmaster. Parker responds by secretly lending questionable materials to other students, aided by his best friend and long-time crush, Rafe.The situation escalates when their draconic literature teacher discovers their subterfuge and compiles a banned books list. Parker and Rafe fall in with Peter Fritz, a broody outcast who's turning the ban in his favor by buying and lending banned books to students--for a price. As the banned books library grows and hidden feelings threaten the boys' burgeoning partnership, they discover that the challenges of growing up might outweigh the rewards of bucking the system.
