Sommario/riassunto	We live in a different time than William Shakespeare. Romance has been supplemented with what's quick and easy. True love is something people dream about, but rarely have the patience to hold out for or the vision to witness Cupid's subtle signs. This is a story about two such people who meet under tragic circumstances, but are re-united by fate's mysterious ways. Ian is an EMS worker battling depression and a broken heart. Liz seems to have it all together, but problems with an ex and her own battles with mental health soon become very apparent. Ian and Liz have to face numerous challenges threatening to derail how far they've come as a couple. Will they take the easy way out? Or are their bonds of friendship and intimacy enough to prove true love is worth waiting for in the end? Experience Ian and Liz's journey as they learn to let go of the past and embrace A Manic Kind of Love.
