Sommario/riassunto	<p>Kit Colbana is always biting off more than she can chew. She has a knack for finding trouble. This time, though, trouble finds her. Someone from her past drops a case into her lap that she just can't refuse...literally. People on the Council are dying left and right and she's been requested to investigate the deaths. The number one suspect? Her lover, Damon. If she doesn't clear his name, he gets a death sentence. Even if she succeeds? They still might try to execute him. Oh, and she's not allowed to tell him about the case, either. The stakes are high this time around, higher than they've ever been. Kit may be forced to pay the ultimate price to save her lover's life...a price that could destroy her and everything she loves.</p>
