Sommario/riassunto	<p>While Ming plays outside one summer day, the smell of delicious food fills the air. It is coming from greedy Fu Wang's house. "What is he up to?" wonders Ming. To his alarm, Fu Wang demands that all the neighbors pay him for the pleasant smells. When the neighbors refuse, the case goes to court. How will the judge rule in this unusual case and will justice be served? Can Fu Wang make money from the neighbors' sense of smell? A wise judge makes use of another sense to close the case with clever and convincing logic. This fictional story includes a 4-page For Creative Minds section in the back of the book and a 23-page cross-curricular Teaching Activity Guide online. A Case of Sense is vetted by experts and designed to encourage parental engagement. Its extensive back matter helps teachers with time-saving lesson ideas, provides extensions for science, math, and social studies units, and uses inquiry-based learning to help build critical thinking skills in young readers. The Spanish translation supports ELL and dual-language programs. The interactive ebook reads aloud in both English and Spanish with word highlighting and audio speed control to promote oral language skills, fluency, pronunciation, text engagement, and reading comprehension. Tap animals and other things that make noise to hear their sounds.</p>
