Livello bibliografico	Monografia
Sommario/riassunto	Some of America's foremost historians - including James M. McPherson, Allan Nevins, and Stephen B. Oates - recount the extraordinary life of Abraham Lincoln in this collection of the best essays from sixty years of American Heritage. Lincoln, the book argues, "evolved into nothing less than an apostle for the sanctity of the Union, the ethic of majority rule, and the dreams of freedom and equality of opportunity. Who could have so predicted when Lincoln had seemed the least qualified candidate for the presidency?" Lincoln comes to life in this selection from America's leading history magazine, chosen by its current editor-in-chief, Edwin S. Grosvenor.
