Sommario/riassunto	The beer enthusiast who wants to know which cheeses to pair with an IPA, porter or Trappist ale can easily find a recommendation. Each style entry includes: <ul style="list-style-type: none"> · Style Notes: a description of that beer style-what defines it from the brewer's perspective, and what to expect from the beverage in the glass. · Beers to Try: Several recommended craft beers in that style, both US domestic and imported. · Cheese Affinities: In general terms, what types of cheeses pair well with that style and why. · Cheeses to Try: Brief profiles of three well-distributed cheeses (US domestic and imported) specifically recommended for that style and why · More Cheeses to Try: A list of other cheeses to pair with that beer style-so that every reader should be able to find at least a couple of the recommended cheeses The introductory chapter includes general advice on pairing cheese and beer; and on selecting, storing and presenting cheese. Six themed platters give readers ideas for entertaining with beer and cheese.
