Sommario/riassunto	<p>Is he still in love with his ex? Is he a string-along type? Does he want a long-term relationship or just a fling? Should you Date Him or Dump Him? A comprehensive relationship advice book in a fun, easy-to-use format, Date Him or Dump Him? picks up where Cosmos quiz left off. Combining the knowledge of a professional with the insight of someone who's been there, this illustrated flip-through guide encourages you to address the questions and concerns of your current relationship and predict its future. Date Him or Dump Him? begins with questions such as: "When did his last relationship end?" and "How often does he call you?" and follows up with ore in-depth queries, ultimately leading the reader to an honest analysis and genuinely helpful advice for moving forward. Cheaper than a therapist, more reliable than a palm-reader, and more fun hat any other self-help book on the market, Date Him or Dump Him? gives the final word on any relationship.</p>
