Sommario/riassunto	Sometimes you are full of love, joy, and peace. Kindness and goodness flow freely. You have faithfulness in the bag. What about patience, gentleness, and self-control? The truth is none of these are easy to walk in consistently. It is why we need gentle reminders every day. This devotional gives fresh perspective on age-old themes. Spend time in God's presence reflecting on his wonderful Word, and be filled with whatever fruit you need for your day - maybe you need a little of them all! The great thing about God is that his fruit buffet never runs out,

and he loves it when you come back for more.
