Sommario/riassunto	After an extravagant honeymoon, Hannah is eager to settle down in Lake Eden and turn domestic daydreams into reality. But when her mother's neighbor is discovered murdered in the condo downstairs, reality becomes a nightmarish investigation. Victoria Bascomb, once a renowned stage actress, was active in the theater community during her brief appearance in town ... and made throngs of enemies along the way. Did a random intruder murder the woman as police claim, or was a deadlier scheme at play? As Hannah peels through countless suspects and some new troubles of her own, solving this crime -- and living to tell about it -- might prove trickier than mixing up the ultimate banana cream pie.
