Sommario/riassunto	Health Care USA, Ninth Edition offers students of health administration, public health, medicine, and related fields a wide-ranging overview of America's health care system. Combining historical perspective with analysis of current trends, including the implementation of the Affordable Care Act (ACA) and the Medicare Access & CHIP Reauthorization Act (MACRA), this thoroughly updated edition charts the evolution of modern American health care, providing a complete examination of its organization and delivery while offering critical insight into the issues that the U.S. health system faces today. Balanced in perspective and comprehensive in its coverage, Health Care USA, Ninth Edition, provides students with a clearly organized, straightforward illustration of the complex structures, relationships and

processes of this rapidly growing industry.
