Sommario/riassunto	Join John Cameron, a modern day survivalist mountain man, as he pursues two-escaped terrorist through the Idaho mountain wilderness. John begins his journey to protect his way of life and a secret place hidden deep in the mountains. However, this journey is the beginning of a struggle for the very essence of freedom. During his pursuit John is witness to a chain of events unleashed by homegrown terrorist that changes the face of the world forever and leads to the total collapse of world civilization. Be part of the inner sanctum of government politics as they try to save the American way of life and its very freedoms. This is a journey that could happen tomorrow...
