| Sommario/riassunto      | A handsome diplomat-on a deadly mission to deliver a priceless necklace-is in no position to get involved with a common tavern wench...no matter how breathtakingly beautiful she is...But there's more to the gorgeous wench than Roman Forbes first surmises |

(including his pocket watch, which somehow made its way into her possession). With a bounty on her head, Tara Griffin can't afford to fall for the handsome Roman, a nobleman who clearly has no place for a commoner in his life...But when the search for a treasure to save a man's life brings the nobleman and the wench together on a special mission, fate sweeps them into each other's arms. And running to save their lives, Roman and Tara discover an overwhelming passion-and an everlasting love...
