Sommario/riassunto	Here is the first-to-market, most comprehensive, and most fun annual reference guide to the complete lifetime stats on every player in the majors in 2015. New sections include "On the Black" analysis of how often specific pitchers hit the corners of the plate and "Times to First Base" on how fast specific batters get to first on balls in play. And, of course, there will be first projections on what players can be expected to do next season in every facet of the game.
