Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Anatol Lieven and John Hulsman in their book "Ethical Realism: a Vision for America's Role in the World". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Anatol Lieven's and John Hulsman's book. Lieven and Hulsman put forward a manifesto that explains the new way forward of America highlighting the role of foreign policy.
