| Note generali | Description based upon print version of record. |
| Sommario/riassunto | This ebook consists of a summary of the ideas, viewpoints and facts presented by Constantine C. Menges in his book "China: The Gathering Threat". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Constantine C. Menges' book. Menges argues that China intends to become the global economic and military superpower, hence he outlines what America must do to overcome this threat. |
