Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Richard H, Haass in his book "The Opportunity: America's Moment to Alter History's Course". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Richard H, Haass's book. Haass argues that we live in an opportunistic era, as offers the major nations an opportunity to shape the future of the twenty-first century.
