Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Jerome R. Corsi in his book "The Obama Nation: leftist Politics and the Cult of Personality". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Jerome R. Corsi's book.

<br>Corsi argues against Obama's presidency saying that it would be a repeat of the failed extremist policies of the Democrats, he also believes that Obama strategy is a cult of personality instead of substance. <br>
