Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Richard Minter in his book "Shadow War, The Untold Story of How Bush Is Wining the War on Terror". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Richard Minter's book. Minter demonstrates that the media has missed many of Bush's biggest developments and success in the War on Terror and he delivers the unreported story of how the War on Terror can be and is being won.
