Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Max Blumenthal in his book "Republican Gomorrah: Inside the Movement that Shattered the Party". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Max Blumenthal's book. Blumenthal prescribes how a culture of personal crisis and scandal has defined the radical Right, transforming the nature of the Republican Party for the next generation and setting the stage for the future of American politics.
