Sommario/riassunto	This ebook consists of a summary of the ideas, viewpoints and facts presented by Patrick J. Buchanan in his book "Where The Right Went Wrong: How Neoconservatives Subverted the Regan Revolution and Hijacked the Bush Presidency". This summary offers a concise overview of the entire book in less than 30 minutes reading time. However this work does not replace in any case Patrick J. Buchanan's book. Buchanan argues that Republicans nowadays are no longer true conservatives and he exposes in his book where the Republican Party went wrong.
