Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	It's not the date you were born, or the date you died that really matters. It's "the dash" between those years and what you do with it that counts. This beautiful book stems from Linda Ellis's profound poem "The Dash." Uplifting photography, poetry, and inspirational wisdom will take you through the year as you commit to Live Your Dash every day.
