Sommario/riassunto	A quote book filled with inspiring quotes by women, for women. If you had the opportunity to ask the greatest women of our past and present for advice, wouldn't you jump at the chance? Throughout women's history, we have inspired and motivated society towards greater strength, courage, and justice. This quote collection includes powerful words from women who found their greatness within and used it to empower the world around them. The perfect gift for women everywhere, this inspirational quote collection is ready to ship for

Mother's Day, International Women's Day, birthdays, anniversaries, graduation, and more! Great women are not considered so because of their personal achievements but rather for their ability to speak out on behalf of the lives of countless others. To boldly face diversity and discrimination, yet continue to show daring feats of bravery in spite of the obstacles before them. They speak with both a compassionate heart and great strength of character. They are true leaders who have advanced not just womanhood, but the world around them. The empowered and powerful women featured include: Christiane Amanpour Maya Angelou Arianna Huffington Marie Curie Florence Nightingale Margaret Mead Helen Keller Michelle Obama Jacqueline Kennedy Onassis Rosa Parks Meryl Streep Amy Poehler Condoleezza Rice Margaret Thatcher Oprah Winfrey Eleanor Roosevelt Malala Yousafzai Reading the words of these great women will inspire all of us, across generations - mothers, daughters, sisters, granddaughters -- to embrace our own greatness. For once, we can revel in the power of our own voices. We too can speak out for what is right and impact the world for the better.
