Sommario/riassunto	Ahh, love. It can be a many splendored thing, but it can also lead to the pain of a broken heart. For those experiencing such a sad eventuality, turn to this e-book only selection of Ebert's Essentials, and consider these reviews of movies to help get you through the heartbreak. While not a cure for a broken heart (what could be?), watching these films can bring hope and appreciation for the possibility of love again or just help you laugh at the total absurdity of it all. Enjoy such classic romantic comedies as Moonstruck and Annie Hall to the decidedly offbeat Lars and the Real Girl that will help bring a smile back. Appreciate quiet looks into love with films like The Scent of Green

Papaya and Once .
