Sommario/riassunto	Call Us OLYMPIANS is more than just more wrestling stories. It' wonderfully entertaining stories of life in Homer, Alaska. Sure, many of the stories center on wrestling, but Call Us Olympians overflows with short, poignant stories of life in a small town in Alaska. The reader is drawn in as Wolfe tells the stories from building a high school wrestling

program to a 30-year coaching career, and finally, coaching at the Olympics all told with spirit and humor Steve finds humor and fun in just about every situation. Like Steve's other two books, *Call Me Coach* and *Call Us Champions*, these tales will warm your heart, make you laugh, and have you asking for more. You don't have to be a wrestling fan, know anything about Alaska, or even enjoy sports to absolutely love the *Call Us Olympians* stories.
