Sommario/riassunto	<p>Rock Diary: Coldplay is a unique, chronological, day-by-day, month-by-month and year-by-year history of the life and career of one of the most popular rock bands of the 21st century. This definitive factual story is the ultimate biographical timeline of the British quartet of Chris Martin, Jonny Buckland, Guy Berryman and Will Champion - from their earliest days as London college students in the late 1990s to their meteoric rise as one of the world's top acts. Every Coldplay fact, each recording session and tour, television, film and radio appearances, all UK and US singles and albums chart and gold/platinum sales achievements, every major award ever won, music videos, solo side projects - all are included in this highly-detailed, comprehensive rock diary. Simply the best value for the complete history - and backstory - of this iconic band. This is the eighth volume in the unrivaled Rock Diary series which also includes individual, comprehensive biographies on all the rock greats including U2, the Beatles, the Rolling Stones, Elvis Presley, Pink Floyd, Buddy Holly, Led Zeppelin, Lady Gaga - even Spinal Tap.</p>
