| Sommario/riassunto      | <p>Rock Diary: Led Zeppelin is a uniquely chronological, day-by-day, month-by-month and year-by-year history documenting the complete history of one of the most popular and influential rock groups of all time. This definitive factual story is the ultimate biographical timeline of the legendary quartet of Robert Plant, Jimmy Page, John Paul Jones and John Bonham - from their earliest days rising the ashes of the Yardbirds in 1968, to their thrilling reunion in London in 2007 and beyond. Every triumph and tragedy, every recording session and tour, television, film and radio appearances, all UK and US singles and albums chart and gold/platinum sales achievements, every major award ever won - all are included in this highly-detailed, comprehensive rock diary. Simply the best value for the complete history of this iconic band. This is the fourth volume in the unrivaled Rock Diary series which also includes individual, comprehensive biographies on all the rock greats including the Rolling Stones, Elvis Presley, Pink Floyd, Buddy Holly, the Beatles, Coldplay, U2, Lady Gaga - even Spinal Tap.</p> |
