Sommario/riassunto	The irresistible O'Donnell brothers return in a charming novel from the bestselling author of Off the Hook('The perfect balance of sweet, sexy, and wonderfully romantic.'Lauren Layne). Hope Seaver is an up-and-coming TV producer tackling the hardest gig of her career: a reality show set at the Buoys, a scenic fishing destination owned by three

handsome, stubborn brothers. Liam and Finn O'Donnell are willing to tolerate her crew for the sake of the business, but Ronan would rather chew off a limb than open up on camera. Somehow Hope has to convince him of her good intentions and stop herself from swooning every time Ronan walks into the frame. Ronan knows that he's the reason his brothers gave up their old lives to run the Buoys, and he needs to make it worth their while. So if this out-of-towner with the kind eyes and dazzling smile wants to give them the free publicity they desperately need, Ronan can't say no. He just won't let himself get burned again by a double-dealing woman. But what if Hope's good-girl routine isn't an act? When Ronan lets his guard down long enough to catch a glimpse of the real Hope, he likes what he sees enough to give love another shot. Look for all of Laura Drewry's heartwarming Fishing for Trouble romances: OFF THE HOOK | LURED IN | CATCH AND RELEASE'; A must-read for fans of second-chance love stories, Off the Hook is the perfect balance of sweet, sexy, and wonderfully romantic.'USA Today bestselling author Lauren Layne'; Drewry struck the right balance between the heavier, more serious or emotional parts with humor and heat.'Harlequin Junkie, on Off the Hook Includes an excerpt from another Loveswept title.
